SIEM REAP TOUR: KBAL SPEAN, BANTEAY SREI & TA PROHM (B, D)

After breakfast, drive to Kbal Spean and walk around 45 minutes through the forest in order to reach the top of the hill, the "Thousand Linga River." Discover the 10th – 12th century sculptures chiselled into the rocky riverbed, the Royal Bath and the waterfall. Continue to the enchanting temple of the Banteay Srei, nearly everyone's favourite site. The special charm of this temple lies in its compact size, remarkable state of preservation, and the excellence

of its decorative carvings. Return to Siem Reap town and visit one of the area's most beautiful temples, Ta Prohm (mid-12th – early 13th century). Intentionally left partially unrestored, massive fig and silk-cotton trees grow through it, the towers and corridors offering a 'jungle atmosphere' and some of the best 'tree-in-temple' photo opportunities are here to find.
