After landing at Phuket airport our bus is ready to take us along the coastline through evergreen tropical vegetation to Suksamran. On the way we will take a break in Takuapa, where we will buy necessary things for the AMUSICALS Learning Center and the families. Every godfather can buy something for "his" family here. During the afternoon/evening we reach the I-Inn Resort very close to our Learning Center. During the dinner together we will discuss with our project manager Paul the following two days.

Overnight: Suksamran

Day - 3 Suksamran

Suksamran: Visit the AMUSICALS Learning Center | Beach trip & Barbecue with kids and parents (F, A)

After the typical Thai breakfast, you first go to the Learning Center. Here we meet for the first time all children and many parents. Afterwards we will go to the nearby beach, where we will have a memorable barbecue together, where the godparents can spend time with "their" children. In the evening we let the impressions of the day pass by at a cozy get-together.

Overnight: Suksamran

Day - 4 Khao Lak

Suksamran: family home visit & drive to The Haven to Khao Lak (F)

In the morning we use the time to visit the families of the accompanying godparents. It will certainly be a touching experience for every traveling companion to first experience the families in their authentic living conditions. For the people there, however, this life is "normal", so you have to try this encounter as ingenuously as possible approach. At noon we leave Suksamran and travel to Khao Lak. On the way back we will visit the children living in Khao Lak, to be able to evaluate the AMUSICALS project and its effectiveness first-hand. In the late afternoon, The Haven awaits us. Here we can then evaluate the experiences of the past days together. Dinner at a restaurant in Khao Lak. Visit to the night market in Khao Lak.

Overnight: Khao Lak

Day - 5 Khao Lak

The Haven Khao Lak: beach stay & 1 x trip "Awakening Thailand" (F, A)

Haven Khao Lak is an exceptional resort on Khuk Khak Beach, one of the most idyllic beaches in Thailand. The family-run resort is surrounded by lush gardens, clear, crystal clear waters and a sparkling white sand beach with coconut palms and a tropical lagoon. The Haven offers intimacy and seclusion in its only 110 spacious rooms and villas. The appealing resort is an oasis for peace-seeking guests. As an "adult Only" hotel spend here adults over 12 years a carefree holiday. The total area of the resort is almost 26,000 square meters and the combination of contemporary design with delightful exotic elements embedded in the tropical vegetation is enchanting. The 5,000 square meter saltwater swimming pool is about 380 m long and offers a seemingly endless view over the sea. Early in the morning you drive to a typical local market, which is visited almost exclusively by locals and gives you an authentic insight into the lives of local people. Here you will be served a typical Thai breakfast - share your breakfast with one of the many monks who visit the market in the morning and are cared for by the locals. Then it goes to a school where the children will tell you about their daily lives. The last highlight of the trip will be a visit to the more than 100 years old Wat Komaneeyakhate or Khuk Khak Temple.
