

## **Best Of Argentina I The Highlights Of North & South**

Birthplace of tango and home of the Gauchos, Argentina will not cease to inspire you with its landscapes, its rich cultural identity and its warm and welcoming people.

### **Day - 6 El Calafate**

#### **EL CALAFATE: BOAT TRIP ON THE ARGENTINO LAKE (B, L)**

Today, observe the different glaciers from the waterside. Although this glacier is melting significantly (like almost all glaciers), the Upsala is the largest in this park and the longest in South America. The trip continues towards the Spegazzini Glacier. Its slope of 440 feet at the highest point characterizes and distinguishes it as the glacier with the highest altitude in this national park. Lunch Boxes are included in your boat trip. The afternoon is free at leisure in El Calafate.

On Option: If you do not want to spend the afternoon on your own, take a trip to the Nibepo Aike Ranch. This place retains the essence of the old Patagonian estancias. Upon your arrival, the host guide welcomes you to the Estancia and takes you to the "Quincho" where you will be invited to have a hot drink (tea, coffee or mate) accompanied by home-made cakes and pastries. The walk starts around the main building, the perfect example of a typical Patagonian estancia which was formerly devoted to sheep rearing and nowadays has become the most prestigious Hereford breeding ranch of these latitudes, while still retaining a small herd of sheep. Dinner included at Nibepo Aike (lamb grilled on a traditional Patagonian cross stake).
