

Highlights Of Armenia

Armenia is a country of ancient civilizations and prehistoric monuments. You visit Armenia and you become a part of the ancient world and touch the living history. It is impossible to know the depth of Armenia and the Armenian soul in 8 days, but we will still try to show the beauty of Armenia as much as possible.

Day - 4 Goris

Goris / Tatev Monastery / Khndoresk Cave Village / Goris (B/D)

In the morning after breakfast start exploration of the city of stones – Goris. Visit the cave town of Khndzoresk. Here we have the opportunity to talk through the famous line-bridge which locals use to say “dancing bridge”. At the caves you will find a lot of signs of past settlement where local dwellers used to live. Our next stop will be the monastic complex of Tatev which is considered to be one of the architectural masterpieces of 10th c. The outward appearance of the monastery is severe and laconic. Its harmonious proportions add to the impression of its considerable height. The large dome, the low and closely-spaced arrangement of narrow windows and a high and round drum crowned with a pointed 32-fold roof immediately catch the eye. Opportunity to ride up the ropeway “Wings of Tatev”. Return to Goris. Dinner.
