Day - 4 Stepanakert

Goris / Tatev Monastery / Khndoresk Cave Village / Stepanakert (B/D)

In the morning after breakfast start exploration of the city of stones – Goris. Visit the cave town of Khndzoresk. Here we have the opportunity to talk through the famous line-bridge which locals use to say “dancing bridge”. At the caves you will find a lot of signs of past settlement where local dwellers used to live. Our next stop will be the monastic complex of Tatev which is considered to be one of the architectural masterpieces of 10th c. Opportunity to ride up the ropeway “Wings of Tatev”. The outward appearance of the monastery is severe and laconic. Its harmonious proportions add to the impression of its considerable height.
